COMMENTS/BUSINESS FROM THE FLOOR

Ed Sam, 622 Courtview Drive, Greensburg, PA 15601. Mr. Sam, "My name is Ed Sam, like Uncle Sam, and my address is Greensburg but in Hempfield Township. I am representing Greensburg Business and Professional Association tonight. About three or four months ago Ron Mancuso came to me and said, 'Ed, can you try to help us get reorganized and everything and to do some things.' I said of course I can, of course Ronny is a longtime friend of mine. I also am part of Irwin Business and Professional association and so I said, 'Yes we can do this. It will be great,' so that is why I am here tonight. We are making a lot of progress. I have a pass out here for you. We are, like I said, reorganizing the Greensburg Business Association under a new name. It will be Greensburg Business and Professional Association and the purpose is to increase the credibility of the downtown shopping district and, hopefully, with a final thing that we increase the revenues that go into the cash registers that go into the businesses. How do we do that? We do it through events, is what we are planning to do, different events throughout the year. We hope to get to ten or twelve or maybe thirteen or fourteen different events that we are doing. We have already started and we meet every Tuesday at 5:15 at McFeely's gourmet chocolates on Pennsylvania Avenue. Our past events that we have had, we have had one so far, and that is the Greensburg Shop Hop. We did that back on April 19 from 10am to 8pm, we did that. We had food trucks, and we had parking in the parking lot next to the post office. We had a basket raffle, music, DJ and all that other stuff. What you have there is just what our billboards were that we used, and that link there is to videos underneath the images. I created a Facebook page for GBPA, I have also created a YouTube channel. We video all of our events, and we put them on there. You might think well who the heck watches them, well a lot of people do. In my past experiences with other towns, people do watch them. OK so we have that, now up and coming we have on Thursday, June 28, we have a summer wine soiree that we are doing. That will be June 28 and I have a brochure of that I want to pass out. Then Saturday July 28th we are planning a car cruise. We know that car cruise is going to bring in a lot of people to town. That's one of the things we are planning. Like I said Thursday June 28 is the soiree, and July 28 is the car cruise from 11-4. Some of the other events we are talking about are Luminary Night, again of course. We will be a part of that. Also a 50th anniversary open house on Dec 16, Luminary will be December 6. Some of the other events that we are talking about is Music in the Streets, possibly the Sounds of Greensburg if we have some bands and stuff like that we want to include

them. Antiques in Greensburg, we may consider a ghost walk, and a ladies day or night. A sidewalk craft sale, craft show, a sidewalk sale, a sidewalk flea market and probably an ethnic festival. They are very successful as well, so we are planning on doing that. We are excited and are getting a lot of participation from the businesses. In fact, on our next wine soiree that we are doing June 28 we will have a shuttle because we do not want everything put on one street, we will be at all the different business and will have a shuttle to shuttle people around to different stores if they have somebody participating there and so on and so forth. We will bring them back to wherever they started from. So we are doing that as well."

Bernard McArldle, "Mr. Sam I am going to have to ask you to wrap it up here, we limit comments to three minutes, and you have surpassed that."

Mr. Sam, "Thank you very much I appreciate that. The reason for my visit tonight is on the car cruise, the one thing we have to do, if you have ever been to a car cruise in town people walk the streets along with the cars. For safety reasons we are going to ask if it is possible to close Pennsylvania Avenue so that we can put our cars along there. We will probably use the private parking lot for a food court area, and we will have tables and that for people to sit and eat. My request is to close Pennsylvania Avenue from Otterman down to Fourth. If we can do that." Council Woman Lennert, "You said Fourth?"

Mayor Bell, "Your paper says Second."

Mr. Sam, "Well through Second. You know why I said Second, because I am thinking that should be Third then Fourth street. It should say Fourth. I do request fourth."

Mayor Bell, "I don't know if we are allowed to close Pittsburgh. "

Bernard McArdle, "We cannot close Pittsburgh or Otterman. We can close block by block, and leave the cross streets open if that is ok."

Mr. Sam, "That would be ok. People would just have to take their time crossing the street and that is not a problem. We do it at luminary night. That is my request if we can do that from June 28th from 10:30-4 the cruise is 11-4. We help with the signage of no parking and so on and so forth. We would do all of that and anything else you would require of us to do."

Mayor Bell, "The other thing you would have to do is have a certificate of insurance."

Mr. Sam, "Right, we will provide that to you. Yes, we will provide that. We are looking to purchase, since we just starting out we are looking to purchase a yearlong insurance policy that at any time we can provide that to you. OK?"

Mayor Bell, "OK. We will have to look at it to see if we have time to turn that all around as far as our planning is concerned. We will work with you on that."

Mr. Sam, "Thank you very much. I appreciate it very much so."

Mayor Bell, "Thanks Ed. Any other comments or business from the floor?"

Councilman Finfrock, "That's July 28th, not June 28th." The wine thing is June 28th."

alg

We are excited to start Phase 1 of this year's aggressive street paving list.

Phase 1 focuses on streets in the West and South part of the City and Phase 2 will focus on on streets in the East and North part of town.

We want to thank the residents of Forest Ave. for their patience. We will start your street with Phase 2.

We expect Phase 1 to begin on on Wednesday, June 13th and will include:

Tribune Review Drive, Taylor Street, and Wayne Avenue.

Euclid Avenue Extension between Highland and Unity Way;

Jefferson Avenue between West Otterman and West Pittsburgh;

Cleveland Street between S. Lincoln and the Dead End;

Washington Avenue between Cleveland and South Street; and

Highland Avenue between East Pittsburgh Street and Knepper Street.

Mele Contracting will be responsible for the milling portion. A special thank you to the midnight shift of the Police Department for helping us notify those who live on these streets of the start of this project.

No parking signs were also posted.

And then, next week, we will begin paving these streets. The plan is to begin Phase 2 of the paving list after the Lynch Field parking lot is completed.

The Mt pleasant @ Urania drainage project was completed. There was a concern that someone thought they seen water again, but rest assure that was just Sunoco pressure washing there property and there is no water coming from the area as that was fixed.

In the next days to come, you will notice that the fire escape here at City hall will be getting a face lift of new paint. M and M painting from Greensburg will be scraping and painting the fire escape to add a fresh look to City Hall.

An announcement regard our brush service. As you know, the Street Department provides a service of picking up brush. We are asking that if you have grass clippings to bag them in a biodegradable bag. Our vendor that takes our leaves and brush chipping is not longer accepting plastic. Therefore, if you put them in plastic bags, we are no longer be able to pick them up. This also goes for bagging of leaves. We will put a notification on our website.

City Council Report

11 JUNE 18

From the Planning & Development Department

Good evening!

The City of Greensburg's Planning & Development Department puts forth the following information:

 On tonight's agenda there is a HARB slate that includes a complete façade rehabilitation to Al Pate's property at 33 W. Pittsburgh Street. The proposed changes to the facade are amazing and this building will soon add to the City's downtown revitalization.

- 2. Tim Mento, owner of 161 East Otterman Street has completed his façade renovation. If you haven't seen it, please make an effort to stop by and check it out. Tim did a great job! The City thanks Tim Mento for investing in our cityscape.
- 3. The Planning & Development Department is handling a ton of high grass complaints. This is a reminder to cut your grass regularly throughout the growing season.
- 4. The Planning Commission will be holding a Public Meeting to discuss proposed future plans for the City owned Grove Street open space on Monday June 25th at 7:00PM. Everyone is invited to attend.

In the words of -**Rebecca Solnit**, an American author:

"In great cities, spaces as well as places are designed and built: walking, witnessing, being in public, are as much part of the design and purpose as is being inside to eat, sleep, make shoes or love or music. The word citizen has to do with cities, and the ideal city is organized around citizenship -- around participation in public life."

This concludes my report.
